

At Need Guide

FuneralDecisions

You can have a traditional viewing with any type of service you would like. You can also have just a service.

Service Options:

- Service in the Funeral Home
- Graveside service
- Service at church
- Life Celebration

Other things to consider:

- Music
- Videos
- Readings
- Who will conduct service

Why have a viewing:

Psychologists and grief counselors agree that funerals can be a healing experience that helps survivors move through their grief allowing friends and family to pay their respects.

If you opt for cremation there are various options for the remains.

- Ground Burial
- Mausoleum
- Cremation Niche
- Spreading the ashes
- Urn at home
- Cremains Jewelry

If you would prefer to a burial, you have a couple of options as well:

- Mausoleum
- Ground Burial
- Family Plots
- Family Mausoleums

Why cemetery property is a good idea:

Regardless if you prefer cremation or traditional burial, cemetery property is an option that must be considered. Most people choose ground burial or mausoleum property to ensure that there is a permanent location for family members and ancestors to visit and remember a life lived.
